You are kindly requested to transfer your [#Gulden](#) coins out of your wallets as it will be delisted in two weeks. More on: coinomi.freshdesk.com/support/soluti... Users who wish to sell their Gulden can do so on [@BittrexExchange](#) or other exchanges. [\\$NLG](#) [@Gulden](#) [@Gulden_NLG](#)

Fuck Coinomi. The don't care about the NLG users. They are cringed about the way this went sideways. Both parties are to blame but reading Coinomi asked for 1btc to remove the token, smells bad man.
