Replying to @ScottRoger44047

It's an error we've been experiencing recently but mine was corrected a while ago after writing to their support team at (metamaskcustomerhelpteam@gmail.com) you should file a report immediately and they will assist immediately.

A dog named Toaster

They didn't help a year ago they didn't help six months ago they didn't help two weeks ago . Fuck off with your shitty unprofessional wallet. It's going to be my mission to make sure nobody uses coinomi at least till it works and I get a real apology
